The Towanda Area School District Education Foundation was established in May of 2005. The mission of the Foundation is to raise money for the school district to assist in the development and improvement of our area schools. Projects include the creation of a sports complex, assisting teachers with discretionary funds for educational projects and many others. The goal of the Foundation is to involve as many alumni as possible. Your support is greatly appreciated.

The Towanda Area  
School District  
Education Foundation  
presents the:
